FROM THE LEARNING WELL CLINIC: As the school year draws to a close, please be advised that you need to pick up your child's medications from the school nurse's office. No medications will be held in the nurse's office for next year. **We must dispose of all medications — prescription or over-the-counter — left in the nurse's office after June 7th.** If you provide a **written request** for your student to transport a medication home, we can then send it home with your child. The request must be **signed and dated** by the parent/guardian. We can also accept similar requests via email sent to brobeson@ics-charter.org. If you have any questions, please contact Brooke Robeson, RN, BSN.

PLANNING FOR 2012-2013 SCHOOL-YEAR: All currently enrolled ICES students are guaranteed a seat from school year to school year. This goes for 5th graders entering 6th grade at ICMS. Unless we hear otherwise, we assume that all currently enrolled students will be returning in the fall. If your child will not be returning next year, please let us know as soon as possible. Registration forms have been sent home and are now past due. If you have not filled out and submitted registration forms for the 2012-2013 school year, please do so at your earliest convenience. Even if none of the information has changed, we will need new forms for each student to start the new school year.

LAST DAY OF SCHOOL: The last day for students in the 2011-2012 school year, is Thursday, June 7th. Calendars for next school year are available in the ICES front office.

ISTEP+ RESULTS: ISTEP+ results have been released. Parents of 3rd-5th grade students should have received an Indiana Parent Network letter with information on how to access their child's Individual Student Report (ISR) and the Applied Skills Image Print PDF on the Indiana Parent Network. Parents may request that their child's ISTEP test be rescored. **Please note: All rescore requests must be initiated by the parents.** The Rescore Window is May 29th - June 15th. If you did not receive a letter, please contact your child's teacher.

YEARBOOKS HAVE ARRIVED: Our yearbooks arrived today! On Monday, they will be distributed to students who pre-purchased them. A limited number of extra yearbooks will be available for \$16.00 at the front desk beginning Monday morning. Acceptable forms of payment are cash, check (made payable to ICS), and debit/credit cards.

Fifth graders teach kindergarteners about "The Avengers" prosthetics created during science class.
