

# ICS Athletics Program's Team Expectations

As volunteers, the ICS Athletics coaches would like to request your help in making the program run smoothly and be a great experience for all ICS student-athletes. Here are the guidelines that need to be followed:

Athletes will:

- Show respect for their teammates
- Show respect for their coaches
- Show respect for their competitors
- Show respect for referees
- Show up for practice and games on time
- Have proper attire for practice and games
- Maintain academic eligibility as defined by the ICS administration

Parents will:

- Show respect for referees
- Pick up their children on time
- Contact the coach ASAP when their student-athlete is unable to participate in a practice or game
- Volunteer to help with concessions and/or collect admissions for home games (a sign-up sheet will be made available)

Violations of the guidelines may involve game suspensions and can lead to expulsion from the team.

In turn the ICS Coaches will agree to:

- Provide an enjoyable and safe environment for the athletes
- Start and stop practice on time
- Keep an open line of communication with parents
- Use a call tree if a practice or game needs to be canceled
