NOTE: If you have any custodial requirements involving the pickup/release of your ICS student(s), please attach a copy of the court order. Students may legally be released to a non-custodial parent whose name is listed on their birth certificate unless an official court document is provided stating otherwise.

In the event that a parent calls our office to make arrangements for an individual who is not on this list to pick up a student, we will ask for a verbal 4-digit passcode that will help us identify the caller as having the authority to make such arrangements. Please list the 4-digit passcode you would like to use here:

Release of Directory Information

Parents and community members often request “directory” information from ICES for the purposes of communicating with our families about a variety of events and opportunities. We also like to publish student names for awards, honor roll, scholarships, athletic accomplishments, etc. in local newspapers and on our website. Unless indicated otherwise, ICES will include your directory information in such applicable requests.

By signing below, you are indicating that you do **NOT** wish for your directory information to be shared with other parents and community members. Also, please indicate with a check mark which information you wish to be **WITHHELD**.

I grant Irvington Community School the right to use my student’s photograph, either in video, print, or electronic format for any appropriate use in school materials, including, but not limited to, websites, newsletters, brochures, and marketing materials. This right can be transferred to third-party sources for publicity reasons in the media and legitimate organizations partnering with the school. These rights are perpetual and not limited geographically.
