VOLUNTEER SERVICE PROGRAM

2021-2022 Academic Year

Program Overview

Irvington Community Schools, Inc. strives to create meaningful, project-based, volunteer leadership and service opportunities for parents, community members and corporations in support of the corporation. The **Volunteer Service Program** is designed to accommodate interests from single-member volunteers, larger community-based groups, and corporate-sponsored employee volunteer programs. Opportunities for volunteer service and leadership are available at all three campus locations, as well as through the ICS corporate office.

ICS Green Team

The **ICS Green Team** encompasses projects inclusive of the school corporation's community, place-based initiatives. The ICS Green Team provides additional support to the upkeep and beautification of the school grounds; supports the sustainability and expansion of the ICES Outdoor Masters Club; supports the ICES|ICMS|IPA Adopt-A-Block Program; and provides creative ideas and workmanship to expand the school corporation's community-building through place-making projects goals.

ICS Community Event Planning Team

Interested in event planning or special event staffing? The **ICS Community Event Planning Team** directly supports ICS Staff and offers leadership opportunities in event planning for school- and community-sponsored events. The ICS Community Event Planning Team focuses on "friend-raising" or creating community awareness for the school corporation.
